## **701 Supervision**

All public streets, alleys, sidewalks and other public ways in the Village shall be under the supervision of the Public Works Committee. The Public Works Committee shall have supervision over all work thereon, and the cleaning thereof, and shall be charged with the enforcement of all ordinance provisions relating to such public places (except traffic ordinances) and is hereby authorized to enforce such ordinances.

## **702 Construction**

It shall be unlawful to construct or lay any pavement on any public street sidewalk, alley or other public way, or to repair the same, without first having secured authority.

## **703 Specifications**

All streets and sidewalk pavements shall be made in conformity with specifications as set forth in the Village's Subdivision Control Ordinance and all other applicable ordinances laid down or approved from time to time by the Board of Trustees.

## **704 Obstruction**

It shall be unlawful for any person, firm or corporation to cause, create or maintain any obstruction of any street, alley, sidewalk or other public way.

## **705 Private Use**

It shall be unlawful for any person, firm or corporation, to use any street, sidewalk or other public place, as space for the display or sale of goods or merchandise; or to write or mark any signs or advertisements on any such pavements.

## **706 Encroachments**

It shall be unlawful to erect or maintain any building or structure which encroaches upon any public street or property.

## **707 Injury**

It shall be unlawful to injure any sidewalk, street or alley pavement.

## **708 Deposits on Streets**

It shall be unlawful to deposit on any street any material which may be harmful to the pavement thereof, or any waste material, or any glass, or other articles which may do injury to any person, animal or property.

## **709 Deposits on Sidewalk**

It shall be unlawful to deposit on any public sidewalk any material which may be harmful to the pavement thereof, or any waste material, or glass or other articles which might cause injury to persons, animals or property.

Merchandise or other articles may be deposited on sidewalks preparatory to delivery, provided that the usable width of the walk is not thereby reduced to less than 4 feet; and provided that no such article shall remain on such walk for more than ½ hour.

## **710 Drains**

It shall be unlawful to obstruct any drain in the public street or alley.

## **711 Poles & Wires**

It shall be unlawful to erect or maintain any poles or wires on or over public street, alley or other public way without having first secured permission from the Board of Trustees.

## **712 Gas Pumps**

It shall be unlawful to maintain or erect any gasoline pump or tank in any public street, alley or sidewalk without having first obtained a permit therefor from the Village and all other applicable governmental permits.

No such permit shall be issued until the applicant furnishes a bond or indemnity policy with corporate surety, to indemnify the Village against loss or liability, in the sum of \$10,000.00, occasioned by such tank or pump.

## **713 Excavations**

It shall be unlawful to make any excavation in or tunnel under any public street, alley, sidewalk or other public place in the Village, without having first secured a permit therefor. Any person making any such excavation shall refill the same properly and shall restore the surface to its condition before the excavation was made, as soon as possible.

## **714 Barbed Wire Fences, Etc.**

It shall be unlawful to maintain or construct any fence composed in whole or in part of barbed wire, or with any similar material designed to cause injury to persons, or with any similar material designed to cause injury to persons, or any wire charge with electric current, anywhere within 3 feet of any public street, sidewalk, alley, park or other public way or place.
