horseback riding lessons

Krussell Stables Equestrian Center
7105 E. Tyron Grove Road, Richmond

Horseback Riding Lessons - 4 Week Session

Krussell Stables offers horseback riding for adults and children of all ages and experience levels. During the first lesson we assess the skill level of all new riders and customize a 4 week program based on that assessment. Each session is 1 hour in duration and includes 30 minutes of riding time and 30 minutes of horsemanship skills.

Beginner Riders: If you are a beginner rider you will learn the basics of horseback riding in a safe and fun environment. This includes mounting, dismounting, starting and stopping a horse, steering and tacking, and proper horse care. Beginner lessons provide a solid foundation for continuing and advancing through the program.

Intermediate and Advanced Riders: Krussell Stable has 12 lesson horses in our program. These different horses allow us to challenge intermediate and advanced riders and keep learning fun by riding a variety of horses.

Session runs 4 weeks and make up lessons are available for holidays falling in that time frame. Make up lessons are also available for family vacations, school events, or any absences that are known at the time of registration.
