**SECTION 5
DANGEROUS & VICIOUS ANIMALS**

5.01 DANGEROUS DOG DETERMINATION. In order to have a dog deemed dangerous, the Administrator must:

A. send within 10 business days of the Administrator becoming aware of the alleged infraction, notifications to the owner of the alleged infractions, and of the fact of the initiation of an investigation;

B. afford the owner an opportunity to meet with the Administrator prior to the making of a determination;

C. conduct a thorough investigation, in which he may gather any medical or veterinary evidence and interview witnesses; and

D. make a detailed written report recommending a finding that the dog be deemed dangerous.

The Deputy Administrator or law enforcement agent may ask the Administrator, or his or her designee, to deem a dog to be "dangerous". No dog shall be deemed a "dangerous dog" unless shown to be a dangerous dog by a preponderance of the evidence. The owner shall be sent immediate notification of the determination by registered or certified mail that includes a complete description of the appeal process.

5.01.01 DANGEROUS DOG EXEMPTIONS. A dog shall not be declared dangerous if the Administrator, or his or her designee, determines the conduct of the dog was justified because either:

A. the threat was sustained by a person who at the time was committing a crime or offense upon the owner or custodian of the dog or was committing a willful trespass or other tort upon the premises or property occupied by the owner of the animal;

B. the threatened person was tormenting, abusing, assaulting, or physically threatening the dog or its offspring;

C. the injured, threatened, or killed companion animal was attacking or threatening to attack the dog or its offspring; or

D. the dog was responding to pain or injury or was protecting itself, its owner, custodian, or a member of its household, kennel, or offspring.

Testimony of a certified applied behaviorist, a board certified veterinary behaviorist, or other recognized expert may be relevant to the determination of whether the dog's behavior was justified pursuant to the provisions of this section.

5.01.02 DANGEROUS DOG PENALTIES. If deemed dangerous, the Administrator, or his or her designee, shall order the dog to be spayed or neutered within 14 days at the owner's expense and microchipped, if not already, and one or more of the following as deemed appropriate under the circumstances and necessary for the protection of the public:

A. evaluation of the dog by a certified applied behaviorist, a board certified veterinary behaviorist, or another recognized expert in the field and completion of training or other treatment as deemed appropriate by the expert. The owner of the dog shall be responsible for all costs associated with evaluations and training ordered under this subsection;

B. direct supervision by an adult 18 years of age or older whenever the animal is on public premises;

C. that the dangerous dog be muzzled whenever it is on public premises in a manner that will prevent it from biting any person or animal, but that shall not injure the dog or interfere with its vision or respiration; or

No owner or keeper of a dangerous dog shall sell or give away the dog without providing notification, including the new owner's name and address, to the Administrator.

Animal Control has the right to impound a dangerous dog if the owner fails to comply with the requirements of this Ordinance.

5.01.03 DANGEROUS DOGS; LEASH. It is unlawful for any person to knowingly or recklessly permit any dangerous dog to leave the premises of its owner when not under control by leash or other recognized control methods.

5.01.04 DANGEROUS DOG; APPEAL. The owner of a dog found to be a dangerous dog pursuant to this Ordinance by the Administrator may, within 14 business days of receipt of notification of the determination, request an appeal of the dangerous dog determination pursuant to McHenry County Health Ordinance, Article I, Section 3.

Until the order has been reviewed and at all times during the appeal process, the owner shall comply with the requirements set forth by the Administrator. All costs relating to the compliance of requirements shall be borne by the owner.

5.02 VICIOUS DOG DETERMINATION. In order to have a dog deemed "vicious," the Administrator must:

A. give notice of the infraction that is the basis of the investigation to the owner;

B. conduct a thorough investigation, including interviewing any witnesses, and the owner, gathering existing medical records, veterinary medical records and behavioral evidence;

C. make a detailed report recommending a finding that the dog is a vicious dog; and

D. give the report to the State's Attorney's Office and the owner.

The Administrator, State's Attorney, or any citizen of the county in which the dog exists may file a complaint in the circuit court in the name of the People of the State of Illinois to deem a dog to be a vicious dog. The petitioner must prove the dog is a vicious dog by clear and convincing evidence. If the burden of proof has been met, the court shall deem the dog to be a vicious dog. The judge has the discretion to order a vicious dog to be euthanized.

The Administrator shall determine where the animal shall be confined during the pendency of the case. The owner shall bear all expenses relating to the confinement.

5.02.01 VICIOUS DOG EXEMPTIONS. A dog may not be declared vicious if the court determines the conduct of the dog was justified because:

A. the threat, injury, or death was sustained by a person who at the time was committing a crime or offense upon the owner or custodian of the dog, or was committing a willful trespass or other tort upon the premises or property owned or occupied by the owner of the animal;

B. the injured, threatened, or killed person was tormenting, abusing, assaulting, or physically threatening the dog or its offspring, or has in the past tormented, abused, assaulted, or physically threatened the dog or its offspring; or

C. the dog was responding to pain or injury, or was protecting itself, its owner, custodian, or member of its household, kennel, or offspring.

No dog shall be deemed "vicious" if it is a professionally trained dog for law enforcement or guard duties. Vicious dogs shall not be classified in a manner that is specific as to breed.

Testimony of a certified applied behaviorist, a board certified veterinary behaviorist, or another recognized expert may be relevant to the court's determination of whether the dog's behavior was justified.

Guide dogs for the blind or hearing impaired, support dogs for the physically handicapped, and sentry, guard, or police-owned dogs are exempt from this Section; provided, an attack or injury to a person occurs while the dog is performing duties as expected. To qualify for exemption under this Section, each such dog shall be currently inoculated against rabies in accordance with Section 8 of this Ordinance, be registered with McHenry County and performing duties as expected. It shall be the duty of the owner of the exempted dog to notify the Administrator of changes of address. In the case of a sentry or guard dog, the owner shall keep the Administrator advised of the location where such dog will be stationed. The Administrator shall provide police and fire departments with a categorized list of the exempted dogs and shall promptly notify the departments of any address changes reported to him or her.

5.02.02 PENALTIES FOR DOG FOUND TO BE VICIOUS. If a dog is found to be a vicious dog, the owners shall:

A. have the dog spayed or neutered within 10 days of the finding at the expense of its owner and microchipped, if not already;

B. have the dog in an enclosure approved by Animal Control. If the dog is in the custody of Animal Control, the dog found to be a vicious shall not be released to the owner until the Administrator, or his or her designee, approves the enclosure; and

If an owner fails to comply with these requirements, McHenry County Animal Control shall impound the dog and the owner shall pay a \$500.00 fine plus impoundment fees to McHenry County Animal Control.

No owner or keeper of a vicious dog shall sell or give away the dog without approval from the Administrator or court.

Whenever an owner of a vicious dog relocates, he or she shall notify both the Administrator of County Animal Control where he or she has relocated and McHenry County Animal Control within 5 days of change of address.

12.01 VIOLATION. When a violation of Section 11 has been committed, an animal control officer will furnish the violator, if known, with a notice of violation, and state what action is necessary to come into compliance with this Ordinance and that a maximum of 48 hours may be granted in which to take corrective action.

12.02 IMPOUNDING ANIMALS.

A. In the event that the Administrator finds that a violation of this Ordinance has rendered an animal in such a condition that no remedy or corrective action by the owner is possible, the Administrator may impound the animal(s).

B. If a violator fails or refuses to take correction action necessary for compliance with Section 11 and 12.01 of this Ordinance, the Administrator may impound the animal.

C. If the animal is impounded, it shall be impounded in a facility or at another location where the elements of good care can be provided, and where such animal shall be examined and treated by a licensed veterinarian, or if the animal is severely injured, diseased, or suffering, humanely euthanized.

D. Emergency impoundment may be exercised in a life-threatening situation and the subject animal shall be conveyed directly to a licensed veterinarian for medical services necessary to sustain life or to be humanely euthanized as determined by the veterinarian.

E. All costs relating to the impoundment of the animal shall be bourn by the owner.

12.03 NOTICE OF IMPOUNDMENT. A notice of impoundment shall be given by the Administrator to the violator, if known, in person or sent by certified or registered mail. If the Department is not able to serve the violator in person or by registered or certified mail, the notice shall be given by publication in a newspaper of general circulation in the county in which the violator's last known address is located. The notice of impoundment shall include the following: listing of deficiencies noted, an accurate description of the animal or animals involved, the date on which the animal or animals

were impounded, the signature of the investigator, and a statement that the violator may request an appeal of the impoundment pursuant to McHenry County Health Ordinance, Article I, Section 3 within 7 business days after impoundment of the animal(s).

Return to the owner may be denied or withheld until the owner shall have made full payment for all expenses incurred and for any accrued charges.

If the impoundment is not appealed, within 7 business days of the impoundment, the animal is forfeited and the Administrator may lawfully and without liability provide for adoption of the animal or it may be humanely euthanized. The person who forfeited the animal or a person dwelling in the same household as the person who forfeited the animals may not adopt.

No matter what the disposition of the animal in the appeal, the owner is subject to and responsible for any and all violations and expenses which may ensue.
