Article 4 - Licensing of Sexually Oriented Businesses

828 Purpose and Findings

828.1 **Title.** This Article shall be known as and may be cited as the Spring Grove Sexually Oriented Business Licensing Ordinance and is also referred to herein as this Ordinance.

828.2 **Purpose.** The purpose of this Ordinance is to establish reasonable and uniform regulations to minimize and control the negative secondary effects of sexually oriented businesses within the municipality in order to promote the health, safety, and welfare of the citizens of the municipality. The provisions of this Ordinance have neither the purpose nor the effect of imposing a limitation or restriction on the content of any communicative materials or communication, including sexually oriented entertainment. Similarly, it is not the purpose nor effect of this Ordinance to restrict or deny access by adults to sexually oriented entertainment protected by the First Amendment, or to deny access by distributors and exhibitors of sexually oriented entertainment to their intended market. Furthermore, it is not the intent or effect of this Ordinance to condone or legitimize the distribution or exhibition of entertainment that is obscene.

828.3 **Findings.** Based on evidence concerning the adverse secondary effects of sexually oriented businesses presented to the municipality from findings incorporated in the cases of *City of Erie v. Pap's A.M.*, 529 U.S. 277, 120 S.Ct. 1382 (2000); *Barnes v. Glen Theatre, Inc.*, 501 U.S. 560 (1991), *City of Renton v. Playtime Theaters, Inc.*, 475 U.S. 41 (1986) *Young v. American Mini Theaters*, 426 U.S. 50 (1976), *Berg v. Health and Hospital Corporation*, 865 F.2d 797 (7th Cir 1989); *Ellwest Stereo Theaters v. Wenner*, 681 F.2d 1243 (9th Cir. 1982); *Bamon Corp v. City of Dayton*, 730 F.Supp 80 (S.D. Ohio, 1990) and *EWAP Inc. v. City of Los Angeles*, 97 Cal. App. 3d 179, 158 Cal. Rptr. (1979), and on studies in other cities including the *Report of the Attorney General's Working Group on the Regulation of Sexually Oriented Businesses* (Minnesota, 1989); *Memorandum re: Adult Entertainment Ordinance*, of the Assistant Chief of Police of the Tucson, Arizona (May 1, 1990); Hecht, Peter R., Ph.D., *Report to the American Center for Law and Justice on the Secondary Impacts of Sex Oriented Businesses* (March 31, 1996); *Adult Entertainment Businesses in Indianapolis, An Analysis* (1984) and McCleary, Richard, Ph.D. and Meeker, James W., Ph.D., *Final Report to the City of Garden Grove: The Relationship Between Crime and Adult Business Operations on Garden Grove Boulevard*, (Garden Grove, CA, October 23, 1991), this Legislative body finds:

- A. Sexually oriented businesses lend themselves to ancillary unlawful and unhealthy activities.

- B. Sexual acts, including masturbation, oral sex and anal sex, occur at sexually oriented businesses, especially those which provide private or semi-private booths or rooms for viewing films, videos, or live sexually oriented entertainment. Such activities may result in spreading communicable diseases such as syphilis, gonorrhea, and human immunodeficiency virus (HIV).
- C. Offering sexually oriented entertainment under conditions that encourage such activities creates unhealthy conditions.
- D. Sanitary conditions in some sexually oriented businesses are unhealthy, in part because of the failure of owners and operators to regulate those activities and maintain their facilities.
- E. Numerous studies and reports have determined that semen is found in the areas of sexually oriented businesses where persons view sexually oriented films concealed from public view.
- F. The findings noted in Section 828.3 subparagraphs number A through E raise compelling and substantial governmental concerns.
- G. Sexually oriented businesses have operational characteristics which should be reasonably regulated in order to protect those compelling and substantial governmental concerns.
- H. A reasonable licensing procedure is an appropriate mechanism to place the burden of that reasonable regulation on the owners and operators of sexually oriented businesses. Further, such a licensing procedure will place a heretofore nonexistent incentive on operators to see that sexually oriented businesses are run in a manner consistent with the health, safety and welfare of patrons and employees, as well as the citizens of the municipality. It is appropriate to require reasonable assurances that the licensee is the actual operator of the sexually oriented business, and fully in possession and control of the premises and activities occurring therein.
- I. The regulation of nudity, semi-nudity, and physical contact between employees and patrons in sexually oriented businesses will further the compelling and substantial governmental interests in preventing prostitution and other sex-related crimes, including illegal sex acts, and protecting the public health, safety, and welfare.
- J. Requiring open sight lines in sexually oriented businesses and requiring sufficient lighting will advance the compelling and substantial governmental interest in curbing the illegal and unsanitary sexual activity occurring in sexually oriented businesses and will facilitate enforcement of the provisions of this Ordinance and other federal, state and local laws, thereby furthering the compelling and substantial governmental interest in protecting the public health, safety, and welfare.

- K. The disclosure of certain information by those persons ultimately responsible for the day-to-day operation and maintenance of sexually oriented businesses, and by employees of such businesses, will facilitate the enforcement of the provisions of this Ordinance and other federal, state and local laws, and will thereby further the compelling and substantial government interest in protecting the public health, safety, and welfare.
- L. A person who recently has been convicted of a sexually related crime is not an appropriate individual to operate or be employed in a sexually oriented business.
- M. Barring such individuals from the management of and employment in sexually oriented businesses for a period of years serves as a deterrent to and prevents the commission of sexually related criminal acts, including conduct which leads to the transmission of sexually transmitted diseases.

- 848.3 Licenses issued under this Article may be valid for one (1) day or for one (1) year. The Village shall collect a license application fee of fifty dollars (\$50.00) for a one (1) day license and two hundred fifty dollars (\$250.00) for an annual license from any person wishing to conduct business as either a transient merchant or itinerant vendor under this Article. A separate license application fee shall be collected for each day for which a license is sought if the license is to be for less than one year, up to a maximum of two hundred fifty dollars (\$250.00).
- 848.4 If it is determined that any of the information provided in Section 848.3 is false, the Village has the authority to revoke the license issued to the transient merchant or itinerant vendor. If the license is revoked, the license application fee shall not be returned.
- 848.5 No license shall be issued for dates on which Village sponsored events are being held unless approved by the Village Board. Annual licenses shall not be valid on dates on which Village sponsored events are being held unless approved by the Village Board.
- 848.6 Any transient merchant or itinerant vendor shall provide a written statement consenting to the presence of the merchant or vendor from the owner of the property where the merchant or vendor desires to sell goods, wares or merchandise on private property or on public property which is not owned by the Village. If any transient merchant or itinerant vendor desires to sell goods, wares or merchandise on Village property during a time where there is no Village sponsored event, the merchant or vendor shall provide a written statement consenting to the presence of the merchant or vendor from the organization, association, group, or individual with lawful permission to use the Village's property.

849 Holding Inventory

If any person makes retail sales as a transient merchant or itinerant vendor without having obtained a license under Section 848, the licensing agency may hold the inventory, truck or other personal property of the person until he or she obtains a license to conduct business as a transient merchant or itinerant vendor. If the property has been held by the licensing agency for more than sixty (60) days and the person whose property is being held has not obtained a license under Section 848, the Village may petition the Circuit Court of McHenry County, Illinois for an order for the sale of the property being held. If the Court finds that the person whose property is held has not obtained a license under Section 848, the Court shall order the licensing agency or unit of government to sell the property. Proceeds of the sale of the property shall be deposited in the general fund of the Village of Spring Grove.

850 Prima Facie Evidence

It shall be prima facie evidence that a person is a transient merchant or itinerant vendor under this Article if the person does not conduct business from a fixed location or if the person does not own, or lease for a term of at least six (6) months, the property from which business is conducted.
