***Conditions of Approval***

- A. All permits for operating as a food truck will be valid for one year with an effective date of January 1 and an expiration date of December 31.
- B. Food trucks may operate on private property in any zoning district other than residential districts with the exception of food trucks operating as part of an approved Special Event.
- C. Food trucks may not operate within the Village for more than eight hours during any twenty-four hour period, but in no case to exceed the hours of operation for the business on the property for which the food truck is located, with the exception of food trucks operating as part of an approved Special Event.
- D. The food truck's Illinois business tax (IBT) number shall be provided to the Village. The point of sale shall be noted as Village of Spring Grove for sales tax.
- E. Proof of McHenry County Health Department approval must be provided to the Village prior to beginning operation.
- F. For food trucks operating on private property, the applicant must provide proof in writing that the property owner has granted permission for the food truck to operate. A letter of approval must be provided for all locations.
- G. All food truck vehicles shall have an annual inspection by the Spring Grove Fire Protection District (SGFPD) prior to use within the Village.
- H. If liquid propane gas is used, the following conditions shall be met:
  - (1) Cooking and warming equipment shall be in good working condition and cleaned of grease or other combustible material.
  - (2) Portable liquid propane gas containers, piping, valves, and fittings which are located outside and are being used to fuel equipment shall be adequately protected to prevent tampering, damage by vehicles or other hazards and shall be located in an approved location. Portable liquid gas containers shall be securely fastened in place by use of an approved method to prevent unauthorized movement, tipping, or regulator damage.
  - (3) Fittings, valves, and hoses used with liquid propane gas equipment shall be maintained in good working condition. When, in the opinion of the Fire Code Official, an unsafe condition exists with the fitting, valve, or hose used by the equipment, it shall be replaced or the equipment shall not be used.
  - (4) Liquid propane gas containers shall be stored within a suitable enclosure or otherwise protected against tampering.
  - (5) A Type I hood shall be installed at or above all commercial cooking appliances and domestic cooling appliances used for commercial purposes that produce grease-laden vapors. (Reference: 2015 IFC Section 609.2).
