Private Horseback Riding Lessons – 4 Week Session

Krussell Stables offers horseback riding for individuals ages 4 thru adult in all experience levels. During the first lesson we assess the skill level of all new riders and customize a 4 week program based on that assessment. Each session is 45 minutes in duration and includes 30 minutes of riding time and 15 minutes of horsemanship skills.

If you are a beginner rider you will learn the basics of horseback riding in a safe and fun environment. This includes mounting, dismounting, starting and stopping a horse, steering and posting at the walk and trot. Horsemanship basics include how to safely work around horses, grooming, tacking, and proper horse care. Beginner lessons provide a solid foundation for continuing and advancing through the program.

Riders must provide their own riding helmet. Long pants and leather boots with a heel or tennis shoes are appropriate for starting out.

Age Group: 4 thru Adult
Fee Resident \$200
Non Resident Fee: \$220
